

Dear Members,

Firstly, I would like to thank my fellow Directors for giving me the opportunity to once again represent the Association, I look forward to exploring the opportunity to upgrade the association membership to be online as well as do some upgrades to make the office admin much more efficient. I also look forward to assisting the Barnawartha Club to run a Feature draft in April 18.

2017 is fast closing and we have run quite a few drafts to start the new season and the NCCA Championship Team will have been north to do battle with the other Associations.

In between we had the Presentation Night for 16-17 Season. It was a great night attended by just over 100 people. The Board was asked at the AGM why people do not attend the Presentation weekend and I posted the question to the Facebook members, thank you for all your feedback, I have passed this information onto the Board for discussion at our next meeting.

As we had three new Directors, the Committees were reviewed, listed below are the new roles for the zones and the Judging Panel as well as the National Campdraft Council reps.
